1st April 2012

The Spring ShowCross event @ Haughhead once again proved popular with members. The competition consisted of a course of showjumps (not timed) immediately followed by the XC type fences (timed). Course builder Steph Robson had built a flowing imaginative course that encouraged competitors to ride in a rhythm. The XC type fences included a corner, a bounce, a skinny and even a 3 part combination for the Open class!

'Thank you' to Jim Jefferies for judging, to Steph for building the course and to all the helpers especially the members who volunteered to help!

Don't forget XC training with David Gatherer @ Timpendean on 15th April
